

English : We will looking at traditional stories, myths, fables and legends. We will also be learning about writing autobiographies and experiencing different forms of poetry and report writing.

Maths: We are doing lots of number work this term, including counting and place value and adding/taking away. There will also be lots of practical Maths to help the children learn about money, shape and measuring things.

PSHE: Our topic is Health and Well Being and we will be talking about how we feel in different situations, especially how other people affect how we feel and how we might make other people feel.

Science: This term our topic is Space and we will be learning about the planets in our solar system, how the moon changes each day and why we have day and night. We will also be learning about forces after half-term which we will be incorporating into our Forest Schools work, making lessons fun and practical.

RE: In RE we will be looking at caring for our world and exploring some creation stories.

Music: We will be learning about singing in tune. And maintaining a simple part of an ensemble. They will be working with the layers of sound and have an awareness of the combined effect.

ICT: In ICT we are experiencing moving in different directions and how we can transfer this knowledge to programming on the computers and using programmable toys.

Pears Class

Autumn 2015

Creative Curriculum:

The Ancient Egyptians- we will be looking at where they lived, what they did, what they ate and wore and their customs. Our DT and music will follow this theme also.

PE: In PE we will be swimming for the first half term and taking part in gymnastics. We will also be learning about invasion games and working on our team working skills.
