21.10.2016

Dear parents/ Carers,

I am delighted to inform you that our school is taking part in Erasmus+ School Partnerships project called 'Sounds around Us'.

About Erasmus+ –

Erasmus+ is the European Union programme for education, training, youth and sport. It runs for seven years, from 2014 to 2020. Erasmus+ aims to modernise education, training and youth work across Europe. It is open to education, training, youth and sport organisations across all sectors of lifelong learning, including school education. It offers exciting opportunities for UK participants to then study, work, volunteer, teach and train abroad in Europe. To discover more about Erasmus+, visit <https://www.erasmusplus.org.uk/about-erasmus>.

What will our school gain –

- A more meaningful curriculum, enhanced by shared experiences with our European partners
- Increased motivation for the whole school community
- A tool for staff development
- Erasmus+ funding which allow staff and students to travel to partner countries
- A celebration of diversity, and a great deal of fun!

The main goal of our project is to get pupils involved more in exploring Science through use of Music and IT equipment.

Most project activities will be included in everyday education. Project meetings will enable participants to integrate, share ideas, present better the host country and schools.

At the moment we are getting ready for hosting participants from our partner schools – Poland, Latvia and Lithuania. They are visiting us on 31st October – 4th November.

As a project co-ordinator, I will keep you updated on the latest news about our project.

N.Zemcugova
