## **VALUES STATEMENT**

At Rowan Gate we believe in the fundamental value of celebrating the unique abilities of every individual and strive for excellence in everything we do.

We will work hard as a committed team to ensure that everyone is treated with empathy, dignity, respect and care irrespective of race, gender, religion, culture, age or sexuality in the knowledge that any issues will be dealt with appropriately and with confidentiality.

As a team we meet children where they are, value their skills and encourage their learning from there.

We work with patience, determination and flexibility to ensure that all children reach their full potential.

We will offer the children challenging and fun opportunities within a clean, safe, secure and stimulating environment.

We will enable the development of friendships for everyone.

Wherever possible we motivate children to confidently strive for independence.

We will in partnership with parents and other professionals to meet the diverse needs of the pupils at Rowan Gate Primary School.

We understand the importance of leadership and the impact that our own behaviour can have on each other. As a consequence we will endeavour to ensure we work positively to provide good role models for those in our care.

We aim for our children to achieve their very best and will celebrate their successes with pride.

As a team we understand that we always have things to learn and are committed to developing our learning and skills.
